INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Matilda Anderson being first duly sworn deposes and says:

My name is Matilda Anderson, and I am 26 years old. I live at Glendale Ark. about 20 miles from here, and left there yesterday morning to come in a wagon over the roughest possible road. I claim my Cherokee Indian ancestry through my father, John H. Cornette. He is now living at Glendale, and is 64 years of age. He got his Indian blood through his father, Cullen Cornette. My father was born in one of the Carolinas. He moved to Ga. some time in his early life, where he married my mother. I do not know in what county this was. He came to Ark. about 24 years ago. He said his father was 1/2 blood, and his grandfather was a full blood. My father's father was named Cullen Cornette. I never heard my father talk much about his Indian blood, but he always claimed to be a Cherokee Indian. I never heard of any of my people getting any money from the Government on account of his Indian blood. We are all recognized as white people in the community in which we live. The statement in my application that I claim through my grandmother, Jane Stapix Hatley, is a mistake. My grandmother's name is something else, I do not now remember.

Sir:-

You have on file in this office application #7512 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your grandmother, Jane Ratley, living as your father, J. M. Bennett, and your mother Jennie Bennett, nee Fox. Further than this you do not state. Will you please inform this office through whom you claim—that is, do you claim through your father or mother? Who was the said Jane Ratley, your grandmother? What were the names of her parents, and who were her children? It is absolutely necessary that you furnish all the information possible in order to aid us in establishing your right to participate in this fund. Please give all the information you may have at your command regarding your Indian ancestors, tracing carefully from your full-blood ancestor down to yourself.

Your prompt reply will be appreciated.

Respectfully,

Sir:-

You have on file in this office application #7514 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your name should appear on the roll of 1851, and give as your Indian name, Gar-ku-stor-de. I fail to find either the name of Tom Glass or Gar-ku-stor-de on the roll of 1851. As you state that your father and mother were both dead prior to 1851, their names would not appear on the roll of 1851. With whom were you enrolled; under what name; and in what district? Have you any relatives who are alive at present and who were living in 1851? If you have any uncles and aunts who are living and on the roll of 1851, please state their names, and if they have filed applications for participation in this fund, kindly give the numbers of their applications.

Was your half brother, Squirrel(Sa-la-oy) enrolled in 1851? If so, under what name was he enrolled? Was your half brother, George, enrolled in 1851? If so, under what name was he enrolled? Are these your half brothers on your mother's or your father's side? As you state that you are sixty-five years of age, you were very young in 1851, and most likely you were enrolled with some family that is related to you by blood. Please endeavor to find out with

My dear:-

There has been filed in this office an application (#7514) by one Tom Glass, who gives his Indian name as Ah-si-at-a-ah; his age as 61; the name of his father, Sam Glass Ah-si-at-a-ah, mother's name Ah-si-at-a-ah and his grandfather Ah-si-at-a-ah. He also mentions that his mother, Martha Panther, nee Harold, is a relative.

As we are unable to contact the said Tom Glass with the rail in 1901, and as he states his parents were dead in 1901, we would like to have you furnish us some information regarding this.

What relation are you to him? With whom was he residing in 1901, and was his aunt, Sally Glass, or mother, alive in 1901. If so, what was her name at that time; with whom was she then living; and what was her name when she married in 1901? This Tom Glass also gives as his half brother, Ah-si-at-a-ah and Ah-si-at-a-ah. What were their names, or last names? Was either of Tom Glass' parents, or his mother, or were they Eastern Cherokee Indians?

By your examination, please, advise in 1901 if you can, and if you can be reached by mail, please advise us that you can be reached at that time. Tom Glass was born in 1901, and, unless you know, must necessarily

App. #7522.

January 9, 1907.

Irena McClelland,

Murphy, N.C.

Sir:-

You have on file in this office application #7522 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Ned Grimes, a half-breed Cherokee Indian, and your mother, Dorcas Grimes. I beg to advise that I cannot find the name of your father or your mother upon the roll of 1831; nor does your name appear upon said roll. Was your mother part Indian and part White, or was she part Indian and part Negro? Was she ever held as a slave by the Cherokee Indians, and were you ever held as a slave by the Cherokee Indians. Was your father a half blood Indian and White man, or part Indian and part Negro? Was he ever owned as a slave by the Cherokee Indians? Why were none of your ancestors ever enrolled, and, as you state you were sixty-four years of age, why were you not enrolled?

Your prompt reply will be appreciated.

Respectfully,

LBD/AIL

whether slaves of Indians or white people.

If you were enrolled by the Dawes Commission, state

Madam:

Receipt is acknowledged of your supplemental application on behalf of your minor children.

It does not appear, from the records of this Office, that your original application has ever reached here, therefore there is enclosed herewith a blank which you will fill out and file as soon as possible.

The time for filing applications expires on August 21, 1907, and all applications must be in this Office by that time.

Very respectfully,

Special Commissioner.

WEA

Enc.

Lillian Goodall being duly sworn, deposes and says:

My name is Lillian Goodall. I am about 42 years. I live in this District. I was born and raised here. I was enrolled by the Dawes Commission, Roll No. 28141. I was enrolled before and got bread and strip money. I never associated with any other tribe. My people were Emigrants and not Old Settlers. I get my blood from both parents. My mother's name before marriage was Sweetwater, Rachel Sweetwater. My father's name was Drowningbear. My mother is dead. She has been dead more than 20 years. I don't know whether she was enrolled in 1851. I don't know her parents names but they came from the East. I don't know when they came from the East.

My father lived in this District. I can just barely remember seeing him. I suppose he was enrolled, but am not sure. He got his blood from both parents. They were full-blooded and lived in Flint District. They came from the East. I don't know whether he had any brothers and sisters. I don't know his parents names.

I had a sister Lue Goins, - she was a half-sister on my father's side. Rachel Drowningbear may have lived in Saline District at one time. My mother had some sisters. I think one was Mary and the other I cannot recall just now. I do not know of Rachel Drowningbear ever having any other name. My brothers and sisters are: William Drowningbear, Henry Drowningbear; William was down in the Southern Districts for a long while; Lou is my sister's name. I think William and Henry must be on the rolls of 1851. I had another sister by the name of Jane. I could not tell you where she lived as I cannot remember as she was much older than I am. I had a brother died when quite young and I cannot remember his name. My people are all regarded as Emigrants. They never associated with any other tribe.

Eliza Mayberry, et al.,
vs
Cherokee Nation.

NO. 78.

Mr N.A.Gibson, Special Master to whom this case was referred, submits the following report.

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY
NORTHERN DISTRICT, AT MUSKOGEE.

Eliza Mayberry, et al.,

vs

No. 78, Special Masters Report.

The Cherokee Nation.

I, N.A. Gibson, Special Master herein under the order of the Court heretofore made, show to the Court that under said order the I have examined the pleadings and proof herein, which are herewith filed and made a part hereof and that I find as follows:

1

That this cause was filed on the 8th day of September, 1896, on which day application was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd day of October 1896, and the application denied, no reason being given for the said decision, and from this decision the applicants appealed to this Court on December 21, 1897.

11

That this application was made by Eliza Mayberry, Newton J. Eddings, Amanda E. Lewis, Rosa C. Blankenship, Harvey A. Mayberry, John W. Blackburn, John W. Blackburn Jr., Andrew A. Blackburn, Emma Shoemaker, Leveny Lovelace, Ophelia Curry, John R. Middleton, Charles G. Middleton, Andrew S. Eddings, Susan C. Foster, Thomas E. Foster, John W. Foster, Wm. F. Foster, Sarah J. Owen, Luther Blackburn, Jane Brown, Mary F. Edwards, Dell Owen, Pleasant S. Blackburn, William J. Blackburn, Andrew E. Blackburn, Sarah H. Jourdan and Mary Hoard and her three children all of whom are the great-grandchildren and great-great grand children of Dave Weaver, who lived among the Eastern Cherokees in what is now the State of Georgia and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation.

111

That the parties filed in support of their application the affidavits Andrew E. Blackburn, W. J. Blackburn, Thomas J. Taylor, Richard D. Eddings, James B. Eddings, O. R. Harris, John F. Eddings, Samuel R. Hill, Joseph Allsup, Andrew S. Eddings, and John Ross, and a certified extract from the roll of the Cherokee Nation taken in the year 1835, showing that Dave Weaver, his six boys and one girl were enrolled as Cherokees and that he lived in Cherokee County, Georgia near Sharp Mountain creek. That the proof shows that Dave Weaver had a daughter by the name of Elizabeth, who married a man by the name of Eddings, and that she had a daughter by the name of Frances who married a man by the name of Blackburn, and who was the mother of Eliza Mayberry the principal claimant herein whose maiden name was Blackburn. That these claimants are residents of the Cherokee Nation, Indian Territory, where they have resided for the past eight years.

1V

That the claimants contend that under the showing made by them that Dave Weaver's name appears upon the roll of the Cherokee Nation for the year 1835, they being now residents of the Cherokee Nation they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weaver's name does not appear on the Roll of the Cherokee Nation since the removal west to the present location, and that hence under the laws applicable to cases of this nature these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof.

The premises considered, I find that these claimants are the descendants of Dave Weaver, whose name appears upon the Roll of the Cherokee Nation for the year 1835, that the proof does not show that the said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these claimants are persons of Cherokee Indian blood and descent, and that they are now residents of the Cherokee Nation, Indian Territory.

I respectfully ask that the Court will make a reasonable fee of services herein as Special Master.

Respectfully submitted this 15th day of June 1897.

S. A. Gibson,

Special Master.

By fee paid.

no exception taken.

It is all shown:--From this report it appears that the claimants have their right to be enrolled as citizens of the Cherokee Nation upon the fact that they are Cherokee Indians by blood. Some of the claimants have resided in the Cherokee Nation for seven or possibly eight years. It does not appear that any of them have ever been recognized as citizens of the Cherokee Nation as now constituted. The Judgment of the United States Commission rejecting this case is affirmed, and the application of the claimants to be enrolled as citizens of the Cherokee Nation is denied.

I, S. A. Gibson, Special Master herein on the order of reference herein made by the Court, certify that the above and foregoing is a true and correct copy of the report filed by me in the case of Wm. S. Berry et al., vs. The Cherokee Nation, and also of the Judgment of the Court rendered in said cause.

Witness my hand at Washington, Indian Territory, this 15th day of June, 1897.

S. A. Gibson,

Special Master.

This is to certify that I am the officer having custody of the records pertaining to the enrollment of the members of the Cherokee Nation, and that the above and foregoing is a true and correct copy of a copy of the Special Master's report in the matter of the application of Wm. S. Berry, et al., for admission to citizenship in the Cherokee Nation by the United States Court for the Western District of Indian Territory, on appeal from the decision of the Commission in the Five Civilized Tribes, Cherokee Nation vs. W. S. Berry, et al., to be enrolled as citizens.

Witness my hand at Washington, Indian Territory, this 15th day of June, 1897.

W. F. Johnson,

I, W. F. Johnson, Clerk of the Court in and for the Western District of the Indian Territory, do hereby certify that the above and foregoing is a true and correct copy of a copy of a copy of the report of the Special Master in the case of Wm. S. Berry, et al., vs. The Cherokee Nation.
Witness my hand and seal at Washington, Indian Territory, this 15th day of June, 1897.

W. F. Johnson
Clerk of the Court

Elizabeth Priest,
Blaine, Ga.

Madam:-

You have on file in this office application #7543 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Marie Gibson, who was the daughter of Eliza Talley. I beg to advise that there are no Talleys upon the rolls of 1851 and 1895. Who was said Eliza Talley? Was he full-blood Cherokee Indian, or part Cherokee and part white, or part Indian and part white? What degree of Cherokee blood did your mother, Marie Talley, have? Was your mother an Indian, Chinese woman, or foreign? Was your father or your mother ever owned as a slave by the Cherokee Indians? Please give up all the information you may be able to obtain regarding your Indian ancestors.

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Appli. #7546.

July 30, 1903.

Betti Nicely,

Murphy, N. C.

Sir:

You were notified to appear at Murphy on July 15th, before my assistant, Frank D. Ryan, and produce additional testimony in the matter of your application to participate in the judgment of the Court of Claims in favor of the Eastern Cherokees.

You failed to appear and produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary that you answer each and every one of the enclosed list of questions at the very earliest possible date. If you cannot possibly answer any given question, so state, but be sure it has not escaped your notice.

Very respectfully,

Special Commissioner.

FDR/MS.

App. #7546.

January 8, 1908.

Bettie Nicely,

Murphy, N.C.

Sir:-

You have on file in this office application #7546 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Mary Sutherland, nee Hitchcock, who was the daughter of Dovie Hitchcock, a half breed Cherokee woman. I beg to advise that the name of Hitchcock does not appear upon the roll of 1851. Was your grandmother a half breed Cherokee Indian and white woman, or part Cherokee and part Negro? Where did she reside in 1851? Was she ever held as a slave by the Cherokee Indians? Was your mother, Mary Sutherland, ever held as a slave by the Cherokee Indians? Who was Allen Hitchcock, your grandmother's husband? Was he a white man, Indian or Negro?

Please give us all the information you may be able to obtain.

Respectfully,

Special Commissioner.

Lizzie Stover,

Tahlequah,

Indian Territory.

Madam:-

Your letter of May 1, 1907, relative to the Eastern Cherokee enrollment, is at hand, and in reply you are advised that on April 29, 1907, the Court of Claims entered an order, an abstract of which is herewith inclosed, which determines the rights of the Eastern Cherokee Indians.

This action was taken upon a reference, of the Secretary of the Interior, of certain questions to the Court of Claims, and was not brought about by the six gentlemen referred to in your letter.

Very respectfully,

Special Commissioner.

GM:NLC.

App. #7553.

January 8, 1908.

Lizzie Stover,

Tahlequah, Okla.

Sir:-

You have on file in this office application #7553 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim three: WILL Redbird, your father, and Nancy Redbird, your mother. I beg to advise that I cannot find the names on the roll of 1851 as you have given them. Are you sure your parents were not what is known as "Old Settlers"? When did your grandfather come from the East or "Old Nation" to the present Cherokee Nation? Please find out whether or not William Redbird, your grandfather, and Collis Redbird, your grandmother, were enrolled on the "Old Settler" roll. If they were on the Eastern, or Emigrant, Cherokee roll, under what name were they enrolled in 1851, and where was it in place of settlement at that time? Where did your father and mother reside in 1851--that is, in what district? Was your mother married to your father in 1851? If she was not, what was her maiden name? Give both English and Indian if she had both. Please answer all questions as fully as possible in order to aid us in this matter.

Respectfully,

LBD/ALL

Special Commissioner.

Madam:-

You have on file in this office application #7571, in which you base your claim for a share of the money appropriated for the Eastern Cherokee Indians, by right of your father, Le-lo-gu-sgi, and your mother, Le-si. I cannot find the places as you have given them upon the roll of 1851. Do you know whether your father and mother were married as early as 1811, and, if so, in what district were they living, and in what district and under what names were they enrolled in 1851? If your mother was not married to your father at that time, by what name was she known, and who were her parents? In what district was she enrolled as living with her parents? Please do not use the Indian characters in writing your answers, as we cannot read same. Spell the Indian names with English letters. Had you any brothers and sisters who were born prior to 1851? If so, what were their names? Have you any aunts or uncles who were living in 1851 and who are now living and have filed applications for a share of this fund? If so, please give their names and the numbers of their applications.

A prompt reply will be appreciated.

to you of Jan 10/08 to Betsy Hildebrand will say.
My father's name was De-to-gu-sgi- in Cherokee - In
English Diver. He was alive in 1851 and I am
informed is on the rolls in both names. He lived in
Fruit district. My mother's name in Cherokee is Lo-si
this in English is Rose. and may be spelled either Rosa
or Rosie or Rosi. my mother died at her home in
Fruit district 18 or 20 years ago. I had two brothers
who I think were born prior to 1851 as they were
about 18 + 15 years old at the time of the war and
were both killed (not in the service) their names were
Do-e-shah-tenne- (no English equivalent and spelled by sound)
and Tah-tah-guan. My mother's mother was named Bill. and
her husband Wai-la-s-sis. My mother had a sister
named Yeh-tse. a mother named. An-ke-ah-ne-ga-

My Father's mother was named Gau-na-lu-ke. This
is no English equivalent but the meaning is "to be
way laid" she had a sister named Au-le-ke-
he. She had a mother named Ah-ya-tin-ne.
The meaning of the name is "he is going to new legs"
There were others I do not remember.
None are living - I am a full blood Cherokee
by the States Commission. My parents were
not old settlers my people came here with the
emigrants. The names given above were pronounced
by the Indians spelled by the Interpreter phonetically
and are correct by sound but may be found spelled
differently in rolls. My Father died of small pox
at Fort Gibson. He was in service at the time this
was I think 1863 or 4 it came from the
war spots of the small pox epidemic time.

Martha Mason being first duly sworn, deposes and says:

That I am 79 years of age and live in Fannin Co., Ga. I claim my Indian descent through my mother; my father was white. My mother claimed to be 1/2 Cherokee. I claim through my grandmother, Patience Dukes. Don't know when my mother was married but it was quite a while before I was born. I and my mother lived with the Indians in Cherokee Co., N. C. and had part in their council. We left Cherokee Co., N. C. since the war. I was never on any roll; don't know whether my mother was or not. ~~xxx~~ None of my ancestors ever received any money from the government. I was married in 1861 and I married a white man; that's when I stopped living with the Indians. I don't think I ever lived with the Indians in any different way than the other white people around there did. I don't know anything about any roll being made up. We did not want to go to the Nation and they said all who were enrolled had to go to the Nation. I am recognized as a white woman with some Indian blood. My grandfather Dukes and his son Thomas went west. My grandfather ~~Dukes~~ Thomas Dukes was a full blooded Cherokee Indian and I claim through him instead of Patience Dukes. She was a white woman. My grandfather Dukes went west when I was about ten years old. He died out there. I don't know whether he received any land or not. I have a nephew, James T. Jones who has filed application #21181 and his mother was a sister of mine. His father is a white man. I nor my mother never had any Indian names that I know of. Easters Hilmyer Dukes, nick-named Polly, was my aunt on my mother's side. She married Barnett and she went to the Ter. at the same time my father went. Never heard that any of my brothers and sisters received any money and if they were on any rolls, I don't know it. They all lived in Cherokee Co., Ga. until about the time of the war and then they all scattered off.

January 10, 1908.

James Cordell,

Mineral Bluff, Ga.

Sir:-

You have on file in this office application #7582 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your mother, Martha Cordell, nee Benton, was a half-breed Cherokee Indian, and that she was a descendant of Thomas Duke. I cannot find the name of your mother upon the roll of 1835 or 1851, nor does the name of Thomas Duke appear upon the roll of 1855. Was said Thomas Duke a full-blood Indian, and where did he reside in 1835? Why was he not enrolled on the 1835 roll, and why was your mother not enrolled in 1835 and 1851? As you were born in 1827, your name should appear upon the roll of 1831. Why were you not enrolled? Were either of your parents or you ever held as a slave by the Cherokee Indians or by white people? Was your mother part Indian and part white, or part Indian and part Negro? Please give the history of your full-blood Indian ancestor, tracing from said full-blood ancestor down to yourself, and state where said Indian ancestor resided in 1835 if in the East, and if not in the East, when did he emigrate to the West, and where was his place of residence at the time of his death?

Your prompt reply will be appreciated.

Respectfully,

LED/AIL

Sir:-

You have on file in this office application #7591 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Sallie Rose, who was a daughter of Samuel Rose. Please inform this office who the said Samuel Rose was--that is, was he a full-blood Cherokee Indian, or part Cherokee and part some other race, and what was the other race? When did your full-blood Indian ancestor emigrate from the East to the West, and where did he locate in the West? Did the Samuel Rose ever enroll on the 1835 roll and on the roll of 1851 if living at that time, and who was your father, Sallie Rose, her maiden name? What is the date of your birth, and if you were living in 1835, where was your place of residence at that time? Do you know of any reason why your Indian ancestors were not enrolled in 1835 and 1851? Please give the history of said Indian ancestors as clearly as you can.

Your prompt reply will be appreciated.

Sir:-

Your letter of the 18th inst. received, in which you state that Augustus Ware, whose application is 7637, is an ex-slave. Further than that you do not state. Please inform this office whether the other parties whose names were submitted to you in my letter of January 11, 1902 are slaves or descendants of slaves. I also beg to advise that I cannot find the Watts Family on the Eastern, or Emigrant, Cherokee roll. As to your being refused a copy of the records in Indian Territory of the judgment of the court in reference to the estate of the Watts Family, I am unable to express an opinion. If there are such records in the court, I am at a loss to say what would be refused you if you apply for them.

App. #7601.

January 11, 1908.

Samuel B. Green,
Sugar Valley, Ga.

Sir:-

You have on file in this office application #7601 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim to share in this fund through your father, John Dalis Green, and your grandmother, Mary Green, nee Horton, whom you claim was a Cherokee Indian. I had to advise that the name of Horton does not appear upon the roll of 1835 or 1851; nor does the name of your father, John Dalis Green, appear on said rolls. As you were born in 1845, you should have been enrolled in 1851, if you are a Cherokee Indian by blood. Please inform this office why none of the ancestors you have given were enrolled in 1835 and 1851. Was your grandmother, the said Mary Horton, a full-blood Cherokee, or what was the degree of blood relationship she bore to a full-blood Cherokee? Was your father, John Dalis Green, a White man, or to what race did he belong? To what race did your grandfather, John Green, belong? If your grandmother, the said Mary Horton, was not a full-blood Cherokee, was she the daughter of a White woman and Cherokee man, or a Negro woman and a Cherokee man? Were any of your people ever held as slaves by the Cherokee Indians or by White people. Please give the history of your

Cherokee ancestors as fully as possible, starting with your full-blood Indian ancestor and tracing down to yourself.

Your prompt reply will be appreciated.

cannot be found on the Eastern, or Emigrant, Cherokee roll of 1835, or on the later roll of 1851. It is absolutely necessary for you to furnish us with more detailed information regarding these claimants, stating their blood relationship to ancestors who were recognized members of the Eastern Cherokee Tribe in 1835 and 1846. You will have to show by affidavits the right of your clients to participate in this fund--that is, you will have to give us the exact names and postoffice addresses of witnesses who will prove beyond any doubt that those parties for whom you have filed applications in this office are related by blood to Cherokee Indians who were recognized as such by the Cherokee people in 1835 or 1846. If you do not prove the rights of your clients to participate as stated above, the applications of said claimants will not be deemed to make out such a prima facie case as will justify an examination in the field, and, in that event, will have to be marked for rejection. The witnesses referred to must state facts that will establish the claim of the applicants and not simply, vague, hear-say statements or traditions, and in each case the affiant must state distinctly his means of knowledge of these facts.

An early reply will be appreciated.

Sir

Your enclosure, of list of names of Claimants, whose Ancestors are not found upon the Roles of the Cherokee Tribe, has been by me examined from my Record of filing. The Claims of No 7627 ~~144~~ Augustus Ware, Ex Slave, This Claimant made a very clear statement from his memory of his Father, who he claimed was known as Bush, and was carried by Levi Leury, a J. P., from his home in S C to Cherokee Ga, to the Indian Camps known as Neechota, the Claimant has a part of his Fathers Indian Relics, and shown them, this Claimant is 96 Years old, so he states, and was a young Man when his Father was removed. He must be half blood.

No 7624 Mary Taylor No 10364, Jas. A. Watts, The Ancestors of these Claimants, must appear upon the Roles, as I personally know some of the younger members of the Watts Family, Relatives of these two Claimants, went to the I T, and established their rights, and recovered as other Cherokees, that there is a large Family Connection of the Watts now in the I T, who were beneficiaries, of the Cherokee Treaty, but their rights was established after 1846 in the I T, and I will see just what proofs can be made in the Ter. Now under the Judgement of the Court, it looks as if I will be legally refused Copies of the Record in the I T. I would like to hear from you on this point, as I think other Claimants will be in the same shape as the Watts Heirs, and our best proofs are in the I T and of Record.

I would be glad to help Augustus Ware, but I doubt his being able to give information to assist. I guess he is the eldest Claimant you have, of Record. Now, as to the rights of help from the Records, I do not think the Judgements of the Court, and the Act of June 30 1906, bars the right of furnishing Claimants, with a similar name, as is alleged in the Application, there was so many changes in the names, especially, the Cherokees, crossed with Slaves. Wares Father may have had different names. I will see if he can remember of this, the older of his family are dead.

COURT OF CLAIMS

Rec. FEB 1 1908
No.

State of Georgia,
Cobb County.

Personally comes
Louisa J. Fortner, who being sworn
makes the following statement in addi-
tion to that heretofore made, in her Cherokee
Indian claim now on file:

I am a grand daughter of Miss Jennie
Orwood, who was a Cherokee Indian.
She was married to William Howard,
who I am informed was an Englishman.

I have always been informed that
my grandmother, Jennie Orwood, was a
Cherokee Indian, born in Lincoln County
North Carolina. This information I
received from my parents and other
old people. She died in this Lincoln
County, N.C. in 1836, leaving two
minor children, My father, Joshua Loyd
Howard, and Elizabeth Howard.

They being minors, were not of an age
to make their proofs and be enrolled.
Also, my Aunt, Elizabeth Howard, married
Eli Naylor, who was opposed to their
making the proofs, on account of
thinking it a disgrace to confess
Indian blood. By this means my
father, Joshua Loyd Howard, was in-
timidated, and prevented from making
said proofs during his minority and
life time.

personally acquainted with Louisa J. Fortner, who is an applicant
for citizenship in the Cherokee Nation, I. T.,
and affiant further states, that the
said Louisa J. Fortner, is the identical
person she represents herself to be, in
this her application for citizenship in the
said Cherokee Nation, I. T., & that the
said Louisa J. Fortner, is of Cherokee
Indian Blood, and a Grand daughter of
Jane Arwood, who I knew to be a half blood Cherokee
Indian, and who resided many years in Lincoln Co.
N. C., and I knew that the said Jane Arwood, came
from the Cherokee Indian tribe, affiant further states,
that he has known the said Louisa J. Fortner about
43 years, and knows that she has been recognized
and treated by her neighbors & public generally, as
a person having Cherokee Indian blood, that from the
complexion & physical appearance, the said Louisa J.
Fortner, indicates that she is of Indian Blood, that
the above facts & circumstances and from the statements
made me by the applicants, affiant further states
that he has every reason to believe and does
believe, that the said Louisa J. Fortner is of

William N. Howard,

Sir:-

You have on file in this office application #7602 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Joshua L. Howard, who was the son of Jane Howard, nee Arwood, whom you claim was an Indian. I cannot find the name of your grandmother, either as Arwood or Horton on the roll of 1835. I cannot find your father's name or your own name on the roll of 1851. As you state you were born in 1849, you would necessarily be enrolled if your parents were enrolled. Why were your ancestors not enrolled on the roll of 1835 or 1851? Was your grandmother, the said Jane Arwood, a full-blood Indian, or was she a half-breed Indian, and, if so, to what other race did she belong? Were any of your people ever held as slaves by the Cherokee Indians? Please give the history of your family, stating who was your full-blood ancestor, and tracing from said full-blood ancestor to yourself, giving the reason, if you know same, why your people were not enrolled.

Your prompt reply will be appreciated.

Louisa J. Fortner being first duly sworn, deposes and says:

That I am 63 years of age and live in Cobb Co., Ga. I claim through my father; my mother is a white woman and my husband is white. My father's mother claimed Indian. All the rest of my grandparents are white. My father was born in N. C. in Lincoln Co., as well as I remember. He traveled about a good deal. He was born 63 when he died and has been dead about 27 years. He left N. C. before I was born and came to Forsythe Co., Ga. I was never on any Indian roll. My father's mother died before they took the Indians away. Her name was Jinnie Arwood. She married Wm. Howard, an Englishman. She had two children, my father and a sister named Elizabeth who married a Taylor. My father was never enrolled that I know of, and my grandmother died before there were any rolls. I don't know whether my father ever lived with the Indians or not. I did not live with them. Don't know whether my father had any Indian name or not. I am recognized as a white person in the community. Hardly anybody knows of my Indian blood.

Appl. 31648

John Howard being first duly sworn, deposes and says:

My name is John Howard. I live 1 Garnett St., Atlanta, Ga. I am a brother of William Howard. I have also filed an application. I am 52 years old. My father's name was J. L. Howard. My mother's name was Mary Howard. I claim my Indian blood through my father and his mother. My father died about 20 years ago, and I think he was about 60 or 70 years old when he died. He was born in N. C. My grandmother's name was Jennie Arrowood, before she was married. She was born in N. C. I think. My father's name was Joshua L. Howard. I don't know whether my father and his mother were recognized as white people or Indians. My grandfather, the husband of Jennie Arrowood was an Englishman. I have heard my father say he lived amongst the Indians. I never heard of my father or grandmother getting any money or land from the Government on account of their Indian blood. In 1882 I was living in Cobb Co., Ga. I never heard of an enrollment at that time. I have heard my father talk about the Indians being driven away. I don't think my father went with them. He never said why he did not go with them. I never heard my father speak of a Treaty in 1805. I heard him say that before the war he was going to get up a claim, and the war came, and he did not do anything more with it. I have the following brothers: George, William and Henry. The following sisters: Mat Howard, Jane Fortner.

Wilson M. Shropshire being first duly sworn in behalf of James Culberson, deposes and says:

That I am 35 years of age and live in Floyd Co., Ga. I knew the father of applicant, also the grandfather. I got acquainted with the grandfather in 1842 in Chattooga Co., Ga. At that time he was a tenant of mine. He was about 3/8 Cherokee. I think he was from N. C. He lived here in this state with the Indians. He was 41 years old in 1842. He came here as a young man. He could talk the Indian as well as he could the English. I never heard him say anything about being on any roll. I think Martin Culberson's father died in N. C., but I don't know what part. After I got acquainted with him he never lived with the Indians. There were none here then. They were more around up in Chattooga Co., Ga. The people here recognized him as being an Indian. My opinion is that he and his father lived with the Indians, from about 1800 up to about 1835. They took the Indians away the early Spring of 1837. Martin Culberson was born and raised among the Indians. I knew Columbus Culberson and his mother. He never lived among the Indians. The oldest daughter of Columbus Culberson was as much like a Cherokee as you would want to find. He was married twice.

Mrs. Ellen Howard,

Marietta, Ga.

Madam:-

You have on file in this office application #7604 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim through your mother, Isabel Barnes, who married William Miller. You further state that your father, William Miller, was part Cherokee, and that your grandfather Miller was a Cherokee.

I do not understand just exactly how you are claiming, as under the head of remarks you state that your grandfather Miller was a Cherokee and that your grandfather Murwell was a Cherokee--at least, that you have been taught this by your family. Please find out who was the Cherokee ancestor in your family, and trace carefully from that Cherokee ancestor down to yourself. Were any of your people ever held as slaves by the Cherokees, or were they members of any Cherokee tribe? Are your ancestors Indians and white people, or Indians and Negroes? If Indians, why were they not enrolled on the roll of 1835 or 1837?

Your prompt reply will be appreciated.

Respectfully,

LBH/AM

Special Commissioner.

Sir:

You were notified to appear before my assistant, Frank D. Ryan, July 3, 1908, at Marietta, Georgia. You failed to appear on that date or produce any witnesses, and as we will not be in that section again for the purpose of taking testimony it will be necessary that you answer the following questions clearly and fully at your very earliest convenience. If, for any reason, you are unable to answer any given question, so state, that we may know it has not escaped your attention.

1. Does your mother possess any Indian blood?
2. Do you claim that either of your parents, or any of your grandparents, were ever on any Indian Roll? If so, give the names of those who were so enrolled? State on what Roll their names appeared, and the various ways under which they may have been enrolled?
3. How are you recognized at present in the community in which you live? That is, - are you considered to be white or Indian?
4. Did you, or any of your ancestors, ever reside with any tribe of Indians as recognized members of the tribe? If so, give the name of each ancestor who lived with the Indians, and state when and where they lived with them, and give the name of the tribe?
5. To what degree do you claim Indian blood?

Please reply immediately referring to No. 7603.

Marietta, Georgia.

Madam:

You were notified to appear before my assistant, Frank D. Ryan, July 3, 1908, at Marietta, Georgia. You failed to appear on that date or produce any witnesses, and as we will not be in that section again for the purpose of taking testimony it will be necessary that you answer the following questions clearly and fully at your very earliest convenience. If, for any reason, you are unable to answer any given question, so state, that we may know it has not escaped your attention.

1. Does your mother possess any Indian blood?
2. Do you claim that either of your parents, or any of your grandparents, were ever on any Indian Roll? If so, give the names of those who were so enrolled? State on what Roll their names appeared, and the various ways under which they may have been enrolled?
3. How are you recognized at present in the community in which you live? That is, - are you considered to be white or Indian?
4. Did you, or any of your ancestors, ever reside with any tribe of Indians as recognized members of the tribe? If so, give the name of each ancestor who lived with the Indians, and state when and where they lived with them, and give the name of the tribe?
5. To what degree do you claim Indian blood?

Please reply immediately referring to No. 7606.

Very respectfully,

John Miller

Special Commissioner.

average of brownish complexion and coarse black hair.

Question 4

*I cannot give this information.
I have been unable to get any
communication with my brothers*

App. No. 7604.

Georgia,
Cobb County }.

Personally comes Mrs. Ellen Howard, who being sworn true answers to make to the attached list of five questions, answers as follows, to wit

Question 1. My mother, Abbie (Burnell) Eller, inherited Indian blood from her mother and grandmother.

Question 2.

If either of my parents or any of my grand parents were ever enrolled I do not know it.

My half brothers, John Eller of Hiwassee Towns County, Georgia, and Davis Eller, of Indian Territory, are enrolled and participating in the benefits. They and I have the same father.

Question 3.

I pass for white, because the only distinction here is as between whites and blacks. I am generally recognized as being part Indian, and am of brownish complexion and coarse black hair.

Question 4

I cannot give this information. I have been unable to get any communication with my brothers

named above, and am too poor
to go to them. I have been unable
to learn who they used as witnesses.

They are much older than I, and
had more information from our
parents. My parents died when I was a child.
Question 5.

I have not sufficient infor-
mation to determine this. I claim
Indian blood from both my
father and mother, both from
the Eastern Cherokee tribe.

Addenda-

My reason for not meeting your
assistant Frank D. Ryan, at Marietta,
Ga. on July 3rd, 1908, was that I
have poor mail facilities and did
not receive the notice in time -

COURT OF CLAIMS
EASTERN CHEROKEES.
Dec. JAN 24 1908

324 Houston Atlanta Ga Jan 22, 09

Hen Guion Miller

I send you statement of Ellin Howard , this Claimant does not know of any of the elder Blood relation on the Barnes or Eller side who she Claims was part Cherokee in N C. she is illiterate and knows but little. If her statement is correct as to her Bros, they must have established their blood rights , and would appear on the Roles in the I T while I am sure she is related by blood , I do not think she can prove it. If you find from the Record , the names she gives as Grand Parents, upon the Roles, it would seem fair she ought to share.

Truly
